

IT IS CALLED QUALITY AND WE HATE IT!

Presenter(s) / Leader(s) / Moderator(s): QCC members – 1 or 2 will be assigned as the moderator(s)

Target audience: Scientists and managers who feel irritated by the requirements by QA-managers and Accreditation bodies.

Maximal number of participants: 20

Minimum number of participants: 6

Duration of workshop: 1 hour

Topic regarding quality assurance and accreditations will be discussed in a special setting that is inspired on the British House of Commons. Provocative statements will be formulated and guided by a moderator a vivid discussion will take place.

All participants will be forced to be active in the discussions – there is no room for passive attendees.
